2011 MGPEC Task Forces

Roadway Rehabilitation – Joe LaHeist – Joe will email the specification to Pamela Weimer to distribute to the steering committee for review. Final approval will be on the agenda for the May meeting.

Life-Cycle Cost Analysis – Tom Clayton – No report available

Subgrade Preparation – Stan Peters – Stan will email the specification to Pamela Weimer to distribute to the steering committee for review. Final approval will be on the agenda for the May meeting.

2011 Annual Meeting

The review of the meeting was tabled until the May meeting.

2011 Steering Committee Elections

Pat Kennedy, Tom Pieters, Brett Henry, and Vern Tabert were reelected. The steering committee officer election was tabled until the May meeting. Pamela will send an email to steering committee members to attend or send their proxy for the May meeting so specification approval and the election can take place.

Open Discussion

The group decided to post older versions of the specifications in an "Archive" section on the website to be available to local agencies and contractors to use for reference. Dave Potter is working on a version of the Pavement Design

Standards to post on the website as well. An updated version of the Table of Contents will also be available.

A discussion of foamfill/flashfill took place which included frost heave issues and how air entrainment helps combat this.

Adjournment

Chairman Pat Kennedy adjourned the meeting at 2:17 p.m.
