**Meeting Minutes**

The October 18, 2012 minutes were reviewed. Vern Tabert motioned to approve the minutes as submitted, Pat Kennedy, using Scott Wenger's proxy, seconded and the minutes were approved unanimously.

**Treasurer's Report**

Jim Katzer presented the Treasurer's Report. The current balance of the checking account is \$1,601.15. The savings account balance is \$7,440.69 for a total of \$9,041.69. Pat Kennedy, using Pete Brezall's proxy, made a motion to approve the treasurer's report, Joe LaHeist seconded. The report was approved unanimously.

Invoices will go out in January. It was suggested to revise the invoice letter to include 2012 activities.

**Asphalt Thickness Design Equations Issue**

Tom Pieters is going to have the software updated by the end of 2012. It will run on all Windows software. The formulas have been changed and the update will include 2012 pricing. Tom will forward a request for pricing information to Pamela Weimer to distribute to the membership for input. Tom will look into who burned the CD's initially and get a quote for production of the new software.

**2012 MGPEC Task Forces**

*Asphalt Specification* – The task force would like additional comments. The specification has been sent out. Some members reported they are partially through the specification review and will get their comments to Tom Pieters as soon as possible.

**Specifications Manual**

Pat Kennedy is working on renumbering the format.

### **2013 Annual Meeting**

The group is looking at either April 1<sup>st</sup> or 29<sup>th</sup>. Vern Tabert will check on Centerpoint's availability.

The meeting will have concrete and asphalt tracks as well as one additional topic in each breakout session.

Several topics were discussed including general sessions on MAP21 and oil and gas. Asphalt topics mentioned include minor treatment, hot in-place recycle, permeable asphalt, RAS and flowfill. Breakout sessions will include asphalt sessions by Cutler and A-1 Chipseal. Concrete sessions will cover trenches and another industry topic from PCA. The third track will have a session on recycled shingles and flashfill for surface.

An update of the software update and release could be done during or after lunch. Vern Tabert will reserve the room for an additional hour to accommodate that if necessary.

### **Open Discussion**

Tom Pieters reported that Terry von Clausberg needs to resign due to workload. Steering Committee elections will be discussed at the January meeting. Pat Kennedy asked attendees to think of contacts for the open seats.

Dave Potter said that the new bridge is being installed at I-70 & Pecos. Pat Kennedy had Pamela Weimer forward an email from IPMA on information for their Academy. The cost is approximately \$2000 and runs for 20 weeks consisting of 3-5 hours per week.

### **Adjournment**

Pat Kennedy adjourned the meeting at 2:20 p.m.
