Which one of the following best describes your employment?

- 7 Local Government – Engineering
- 3 Local Government – Maintenance
- 1 State or Federal Government
- 5 Consultant
- 1 Private Industry
- 2 Industry Representative
- 0 Other

I would like to see MGPEC training in the following areas:

- 7 Adoption and use of MGPEC Specifications
- 4 Use of Superpave Technology in Design & Construction
- 11 Asphalt Pavement Maintenance and Rehabilitation
- 3 Concrete Pavement Design and Construction
- 6 Concrete Maintenance and Rehabilitation
- 5 Trenching and Repair Techniques
- 4 Achieving Pavement Smoothness
- 1 Infrastructure Repair (write-in)
- 1 It appears that most agencies have similar financial issues, new construction will be rare, focus in the future will be maintaining the existing roadways, thus the responses above. (write-in)

MGPEC currently has Task Forces revising the Pavement Design Standards, and creating guidance for transportation asset management. What topics/challenges should MGPEC address? Add details if appropriate.

- 5 Asphalt Specifications
- 3 Concrete Flat work Specifications
- 8 Subgrade Preparation
- 4 Warranties and Pay Incentives/Disincentives
- 6 ADA
- 2 Sustainability
- 1 Pavement management software comparison! (write-in)

What topics would you like to see covered in the future?

Subgrade treatment

Thin lift, surface treatments over concrete pavements

More case histories maybe or upcoming projects are always very interesting

More case studies or best practices for preventative and preservation methods from other agencies

Asphalt recycling

Innovative, low cost, solution for common problems

Additional Annual Meeting comments/suggestions

Great meeting, thanks for all you do!

Always a great meeting to attend.
